

Dear LifePointers,

As you are aware, we are all facing a serious threat to our health and we have all had to make adjustments to counter this issue. ***I believe that God is still in control and will get us through this difficult time.*** However, We need to make adjustments as a church in order to comply with the government mandates about large gatherings. After much prayer and consideration, we have come up with the following plan to continue services the best we can.

Wednesday Eve Service

For those who attend the Wednesday evening services, we will continue to have prayer as a group from 7-7:45. If you cannot make this meeting, please commit to pray with us as a group from home during this time.

Sunday Service Schedule

We are going to livestream the services as normal, with worship and preaching, so that everyone can be part of the services from their homes.

We will also load each service on our new YouTube channel for those who cannot be part of the live viewing. I am encouraging as many as possible to participate in the live version and comment during the service to keep us better connected.

Important Information!- **The Live service will now be at 11am instead of 12.** Please help spread the word on this as it is important.

As we are limited in the number of attendees, we will be sending out a rotating schedule so that each family or individual can attend the actual service approximately once a month. A form will be sent out shortly concerning this breakdown. Please understand that we will do our best to give everyone a chance to attend, but we must have our worship/ leadership team there each week to do the live service. This leaves us with about 30 seats to fill each Sunday, therefore, it will take about a month to rotate through the church. ***I am recommending that our seniors as well as anyone with a compromised immune system stay home and not attend in person at this time. In addition, anyone who is uncomfortable attending please let us know so we can make those spaces available to others.***

Sunday Classes

Our Children's Ministries team will video classes with songs and lessons and they will be available on our website and closed facebook page for our children 5-11.

Our Student Ministries team will contact all students and set up a time each week to meet on a live video chat to conduct their lessons as well.

Our Adult TeachPoint sessions will be recorded and released in short segments for a daily devotional that will be available through the website and Facebook/Youtube.

Pastoral Care

If you are in need of pastoral care, please don't hesitate to contact me at the church 609-645-1317 or my home 609-365-2425. I am willing to visit when needed and will do my best to provide the best care I possibly can. I know this can be a fearful time, but if we stand strong on God's power and we will overcome this situation.

Giving

We have set up online giving for those who wish to utilize this service as the church must be able to continue financially. Online giving will be the preferred method as it is the safest way to give. Please visit our website at www.lifepointnj.org to give. Be sure you have accessed the right church as there are many LifePoint Churches throughout the country. You may also mail your offerings to the church at 923 W Washington Ave, Pleasantville, NJ 08232. Please DO NOT mail any cash!

In closing, Be encouraged in the Lord even in the darkest of days because He is the light of our salvation! Spread the word about the online services to your friends and neighbors and expect tremendous growth through this challenging time. May God Bless you and keep you!

In His Service,
Wayne Gilliss, *Sr Pastor*
